*“I Love You Santa!”*

Camp Courageous is a year-round recreational, respite, and travel program for individuals of all ages with disabilities.

## Cedar River International Paper Supports Camp

Camp Courageous would like to thank the **Cedar River Mill of International Paper, in Cedar Rapids**, for their years of support. This year Megan Shook, Communications Specialist, presented checks to Camp Courageous, and a variety of other wonderful charities in the area from the International Paper's Foundation. Along with a check, each attendee received a fascinating tour of the Cedar Rapids Plant. The Cedar Rapids plant takes recycled cardboard and makes corrugated cardboard from it. They are the largest 100% recycled paper mill outside of China! Great place to work, with many of their staff involved with all aspects of Camp Courageous from volunteering to having family and friends who attend. Camp is so grateful for their super support!

A very special thank you to **Jeff Collins and Malora Cosgrove From Donutland** for choosing Camp Courageous to benefit from their round-up. Donutland and Camp Courageous want to make sure the customers of Donutland know how grateful we all are to them for rounding their purchases up for Camp Courageous...super customers! Jeff knows firsthand the thrill campers experience at Courageous, having a daughter who attends. Thank you to the customers, Jeff and Malora and the staff for being so supportive of Camp Courageous! Pictured are Justin Cable, Cerisa Thomas, Malora Cosgrove and Jeff Collins...super, dedicated, hardworking staff...always giving back to benefit others! (Donutland has two locations in Cedar Rapids, one in Iowa City, and one in Des Moines).

## Ron McGauvran and Family Celebrates Ron's 90th Birthday To Benefit Camp Courageous

Camp Courageous was very humbled when members of the **Ron McGauvran Family** contacted the Camp to do a special gift in honor of their Dad's 90th birthday!

At a special birthday celebration, they presented Ron (center) with a check made out for \$3,000 to Camp Courageous in Ron's honor! In addition they presented Ron with a Camp Courageous t-shirt.

Ron is the last of the Board of Directors of the Petroleum Marketers and Convenience Stores of Iowa (FUEL Iowa today) that visited Camp Courageous in 1981 and decided to take Camp Courageous under its wing. PMCI was lead by Norb Bahl, Jesus, and were often referred to as the 'Dream Team'. Ron has been a friend of Camp Courageous ever since, and a dear friend, personally. Ron, whose love for Camp Courageous has never dimmed over the years, is matching the family's gift!

Note presented to Ron by his wonderful family read:

*"Dad/Grandpa,*

*On this milestone birthday, we honor you not just with words, but with action. This donation to a cause dear to your heart is a testament to your compassion and the values you've instilled in us. Wishing you a fantastic 90th birthday!*

*Love you!"*

## Hy-Vee Continues Legacy of Support for Camp

**Hy-Vees** were getting ready for the holidays, and here (L-R) is Jenny Townsend and Jodi Burns both of Hy-Vee. Jenny is holding a check representing the sale of pineapples at the area Hy-Vees the first couple weeks of August and Jodie is holding a KIDSFIT box that will be distributed to hundreds of campers at Camp Courageous over the holidays. Inside the insulated boxes (which are perfect for lunches) are coupons for healthy choices in food for kids. To their left are cases of KIDSFIT boxes for the campers! Camp is grateful for Hy-Vee's year-round support of Camp Courageous!

## Brunkan Equipment Donates ATV

A huge thank you to **Brunkan Equipment in Worthington, IA**, a dealer for Can-Am, for the donation of the use of a brand-new Can-Am XT900 Defender for a year!

This beautiful vehicle has been a wonderful addition to Camp, particularly giving individuals the opportunity to tour the work being done on the new Nature Trail, which is currently a very rugged area. This six passenger Can-Am vehicle has ample cargo space, and ample power to handle the toughest terrain camp has to offer. It has already been used to carry some very heavy loads, and it tows with ease. A great addition, and we are so very grateful to Brunkan Equipment and Can-Am for thinking of Camp Courageous.

## Rita and Ken Wolf Win the Local "9 Who Care" Award and Travel to New York for the National "Multiplying Good" Award.

For the last five years, **Rita Wolf and her husband, Ken**, of Monticello packed up a camper and traveled to a part of the US that has been ravaged by a natural disaster where they spend months repairing homes. This year they headed to Grand Isle, Louisiana to repair homes that were destroyed by Hurricane Irma.

"We're going to be repairing homes that are mostly on 10-to-15-foot stilts," said Rita. "We'll be repairing the inside and outside of the homes."

It's all part of the Mennonite Disaster Service RV Volunteer program. The two started volunteering with MDS after Ken retired from construction. They said helping those in need was something that called to them.

"We're not the kind of people to sit around and go to the beach and sit there for hours on end," said Rita. "That's fine for some people, but for us, we really enjoy working and helping others."

After spending several winter months helping those in need, they also began volunteering thousands of hours of their time at Camp Courageous. Here they clear trees, pull weeds, and help wherever needed.

"I think this is why we were planted in Monticello, to help Camp Courageous," said Rita.

It was help those at the camp said was invaluable.

"I could call them in the middle of the night, and they would come out and help with whatever we would have a problem with." Whether it's packing the RV to help people rebuild or helping to beautify the camp for others to enjoy, Rita and Ken take pride in the work they do.

"They have gone through literal hell," said Rita. "The darkest time of their life was losing everything they had."

"We're not rich, but we have everything we need," said Ken. "So, we want to give back."

For them, it's about answering a calling and showing others they, too, can help.

"It doesn't matter whether you're a Christian, faith-based, or not; you just need to have a heart for helping others," said Ken. "If you have a heart for helping others, do something to help others. You can do something"

In the Fall of 2023 Rita and Ken had the most marvelous, inspiring, time in New York while attending the national award ceremony alongside other finalist for the Multiplying Good Award. Ken and Rita would like to say Thank-you to everyone at Camp Courageous for nominating them to KCRG-TV for the Multiplying Good Award. While in New York they heard some powerful speeches and the five who won the National Jefferson awards were so deserving. There really are some kind and compassionate people in this world!

## Tibors Visit Camp

It was an honor to have the family of **Bob & Carol Tibor** visit Camp Courageous. Bob's sister, **Marilyn Worthington** (center) of Colorado was back in Iowa to visit and this was her first visit

to Camp Courageous. Marilyn is flanked by Bob & Carol's son, John, and daughter-in-law Sandy. Marilyn was impressed when her brother and family provided the funds for the bronze statue that sits at the center of the Mainliner Memorial Park. It is symbolic of each day at Camp Courageous when the campers raise the flag and say their pledge of allegiance. Below the girl in a wheelchair, is a plaque that reads, "We honor the incredible courage and perseverance of all campers and recognize the outstanding benefits provided at Camp Courageous by families, staff, and volunteers. Bob & Carol Tibor Family" What a heartwarming, good and caring family...

Marilyn was so impressed with Camp Courageous, that both her and Bob & Carol made substantial donations to the new nature trail. Marilyn's husband, Hal, who had recently passed, was a biologist by profession, and the ability to take campers into the depths of the woods to enjoy nature at its purest, was a perfect memorial to Hal. Marilyn was a dietician for years on the west coast and provided Camp many great ideas for the future! Super Family!

## Congratulations to Jimmy Gibney on his 20th Anniversary with Hy-Vee!

Jimmy Gibney started coming to Camp Courageous when he was 11 years old. At the age of 20, he was enjoying Camp Courageous' Wilderness Trackers

program, a week of camping, canoeing, and wilderness activities, away from base camp. Jimmy so enjoyed his time at Camp Courageous, he now wanted to give a young person the same opportunity he was given. So, Jimmy, has been saving his birthday money each year, along with "re-purposing" his tips (which he felt very guilty accepting) from his work at the Wilson Ave. Hy-Vee, along with employee bonus money, to provide a person with special needs the opportunity to go to Camp Courageous (Campership), and provide money for the camper to have a t-shirt and snacks while at Camp! Jimmy has always had an 'Eagle Scout mentality', with the need to serve.

Jimmy grew-up, learning by example from his mother, Lisa Gibney Wright, what it means to help others. Lisa was involved for years with the Variety Club Telethon, Camp Courageous and many other worthy causes. Jimmy has a wonderful role model in his mother.

One would be hard pressed to find a nicer person. Jimmy is an inspiration to more people than he could ever realize. Thank you, Jimmy, for being such a good and caring person! Your story will warm the hearts of many...

Jimmy's goal is to have his picture on the wall of the Wilson Ave. Hy-Vee as a 40-year employee! As Lisa mentions, "he lives to serve his Hy-Vee customers!" It doesn't get better than this...

**THIS JUST IN: Jimmy is a 2024 KCRG "Nine Who Care" recipient.**

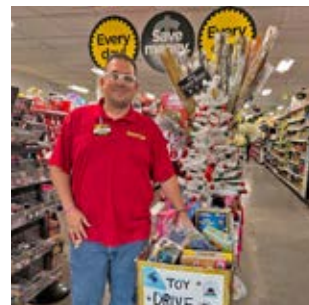

Camp Courageous is very fortunate to have **Daniel Gibbins (L), representing Clark McLeod and the Monarch Research Project (MRP)** share his knowledge and talents. Daniel is also Deputy Director of Linn County Conservation and a professional arborist. MRP is assisting Camp in a plan for the future forestation of the Camp's property. And not just a plan, they have agreed to assist Camp with the regular planting of some exceptional trees for the next 5-years! Camp Courageous, which was built on a pine tree plantation, loves trees, and this will go a long way toward the strategic planting of trees to help with beautification, wind breaks, shade, erosion control, creating a sound buffer, and so much more. Camp is very excited about this new relationship going forward! (R) Jeff Pitlik, Camp's Volunteer Project Coordinator.

**Jim White**, (front-right), of **Stanwood, IA** is pictured with Camp Courageous staff and volunteers as he treated them to a wonderful dinner cruise on the American Lady setting out of Dubuque, IA on a two-hour cruise of the Mississippi River. It was a beautiful evening of good food and good fellowship. Jim had never heard of Camp Courageous until a chance encounter at a movie theater

in Cedar Rapids. There a group of Travel Campers were attending a movie. Jim met the group and generously bought them snacks and beverages. Since that meeting with the travel group, Jim has made many donations to Camp, including adaptive sporting equipment for the new Multipurpose Field, and much more. Jim wanted to do something special for the Camp staff and volunteers to say thank you for their work with individuals with disabilities. Camp cannot thank Jim enough for his generosity. Jim showers the staff and campers with meaningful and thoughtful gifts throughout the year...which are so sincerely appreciated!

Camp is grateful for the efforts made by the **Monticello Dollar General** and members of the public who contributed to the toy drive. The generosity of those who donated a toy will undoubtedly bring joy and happiness to many children and adults with disabilities at the Camp's Holiday Parties. Pictured: Brandon the Manager of Dollar General

It has been an annual tradition for decades to attend the incredible Thanksgiving Dinner and celebration of the results of the Campaign for Individuals with Intellectual Disabilities with the **Jesup Knights of Columbus Council 8227**. This year, due to surgery, I was not able to attend, and thus did not gain 5-wonderful pounds. Camp Courageous Board Member, Greg Greco, (Camp Courageous shirt) attended and accepted a check from Mark Kies, the Grand Knight from the Jesup KCs. These monies were raised by their annual Campaign for Individuals with Intellectual Disabilities (AKA The Tootsie Roll Drive). This group is like family to Camp Courageous. Camp is so grateful for their years of support and friendship. Greg commented on this wonderful evening, from the enjoyment of socializing with this good and caring group, to the fantastic Turkey Dinner with all the trimmings. He also mentioned how very enthusiastic they are about Camp Courageous. Seated, behind Mark & Greg are long time Camp supporters, Don & Louis Burger... a wonderful couple!

A huge thank you to **Steve Kollasch** of Bancroft, IA for the donation of three new hospital beds for Camp! Steve knows well the importance of these beds. Steve's son, Danny, had Duchenne's Muscular Dystrophy, and was a regular at Camp Courageous up to his passing. Helping Steve is Beth Pedersen.

Long time Camp Courageous Camper, **Dan Kollasch**, 29, of Bancroft, IA passed away, leaving a wonderful legacy for others to follow, particularly those with Muscular Dystrophy. Danny had many friends and influenced many people, as was illustrated by his visitation and funeral, at the huge church in Bancroft, which overflowed with people grieving Danny's loss.

His obituary read, "Danny enjoyed one week each summer attending Camp Courageous in Monticello, Iowa from 2000-2019 where he met lifelong friends and got into a lot of mischief. Going to camp brought the biggest smiles to Danny's face as he could be just like other kids. It was always a week to be remembered and he looked forward to it each year."

Dan's sister, Steph, was a Family Care Specialist at the Muscular Dystrophy Association and coordinated the Muscular Dystrophy Week at Camp Courageous for many years. Steph was also exceptionally good at telling what it was like to be a sibling of a person with Muscular Dystrophy, or any disability. Steph wrote, "Dan had every reason to complain each day, and while there were days where he was sad or angry, I never once heard Dan complain. Never. Once. Which speaks volumes to his character."

*"When I ask my daughter what camp means to her, she says it's the one place where she feels at home and safe. She loves being able to come participate in her favorite camp activities, but in 2023 she has enjoyed the themed Respite Weekends!!! She really enjoyed being able to come and participate in some Halloween activities but also to enjoy camp favorites like the animals and swimming. As a parent I LOVE camp, because I know that she is safe, loved, and accepted. They work hard to bring in enough staff to make sure everyone is safe and comfortable. I cannot say enough positives about the nursing department or year round staff. My daughter has come to camp since 2016, and it is a family. As a single parent, this is a chance to take time for myself, and my elderly parents to have a break from caregiving that they provide so I can work. We can't wait to see what the 2024 camping season holds!!"*

-Camper Parent

**University of Iowa** students who are a part of the Iowa Chapter of the nonprofit **Engineers in Action** held their annual survey workshop at Camp Courageous. This group works to design and construct footbridges in underserved communities around the world, and land surveying is the first step in generating a bridge design. New members learned how to plot surface elevations, and got a marvelous tour of Camp Courageous, including a zipline ride!

*"Thank you again for hosting us! The team had a blast, and we all loved the tour and zipline ride! You have a great establishment - and I hope we can continue this connection for future years."*

All the best,  
Rose Schweitzer"

Thank you to **Polo Custom Products** for choosing Camp Courageous to host their annual National Sales Meeting which was made up of their corporate teams and the local team from Monticello for two days.

*"Choosing the Sill Barn at Camp Courageous was an easy decision due to its proximity to the Monticello manufacturing facility and the captivating, distraction-free environment it offers. The beauty and space of the Sill Barn, as well as the peaceful setting, provided the ideal backdrop for the teams to foster collaboration and innovation. Thank you, Camp Courageous, for allowing us to use this fantastic venue for the National Sales Meeting!"*

## Campers and Visitors Attend Seasonal Dances and Parties

Campers, their families, friends, and staff all traveled to Camp for the Annual Haunted Trail and Dance. Over 300 people attended, traveling from near and far including those from: Guttenberg, Marion, Dubuque, Dyersville, Anamosa, Waterloo, Cedar Rapids, Iowa City and even one family from Illinois!

The night kicked off with a dance in the main lodge, with refreshments served by wonderful volunteers. At 6:45 the Haunted trail kicked off for all to enjoy as well as night time zipline rides and mini-golf. After Haunting and Dance, the costume contest was announced with winners for categories including Most Creative, Scariest Costume, In the Now: Best of 2023, Couple Award, Best TV/Movie Portrayal, Funniest Costume, Most Bewitching, Most Original, Best Overall. After the winners were announced, everyone headed over to the new Accessible Miniature Golf area to watch a brand new light show engineered by Musco lighting. The light show included two songs that the music played to: We will rock you and Skeleton Sam. As the light show commenced, all danced to the tunes and ended the night with colorful zipline rides and golf games.

Each year the Camp Courageous program team hosts a holiday party for individuals of all ages. This year marked the 40th annual holiday parties at Camp Courageous. The parties included refreshments and activities such as dancing, bowling, arcade games, swimming, laser tag, climbing and visiting the animals. Santa even made a special appearance at these activities and then took some time to visit with each attendee.

After each camper visited with Santa, Camp's elves passed out presents. These presents (650 of them this year!) were donated throughout the year and wrapped by camp volunteers to prepare for these special days of holiday festivities.

The adult holiday party had a little bit of a different twist. Adult campers also played a festive round of Bingo whilst awaiting the New Horizons Band performance. To end the event, The New Horizons Band performed a musical concert of festive tunes for all to sing along to.

This event would not have been possible without the help of volunteers from the Monticello Transition Center who helped set up for the event, and all of those that gave the gift of their time for the events themselves. Happy Holidays!

## The Pitliks Receive Camp's Trail Blazer Award and Celebrate 41st Wedding Anniversary

Congratulations to **Jeff & Royce Pitlik** on their 41st Wedding Anniversary and on being the recipients of the **Camp Courageous Trail Blazer Award!** Trail Blazers in the past have been individuals like Dotty & Tait Cummins and Kay & Bill Pitlik. They blazed a trail for Camp Courageous to follow in the Camp's earliest years.

Jeff & Royce Pitlik have continued the 'Pitlik' tradition of blazing new trails for the campers to enjoy. From the Mainliner Memorial Park to the Multi-Purpose Field, to the Mini-Golf, to the new Nature Trail, to thousands of trees & flowers to thousands of hours of planning and follow-up...with a fresh perspective...the Pitliks have been true volunteer blazers of new trails. Camp Courageous will be forever grateful for the patience and sincerity of purpose Royce and Jeff bring to the Camp. Camp is a better place today...because they blazed the trail.

*"I don't have to 'act' because everyone has a disability including some counselors. In my day to day life I sometimes feel like have to 'act' like I don't have a disability and that can be hard but at camp I don't have to do that."*

-Camper

The Jones County Community Foundation held their 2023 awards ceremony at the Lawrence Center in Anamosa. 23 recipients from the Jones County Area were awarded grants for projects benefiting their non-profit and Jones County. Camp Courageous was honored to be selected to receive a grant for the Pictured Rocks Nature Trail. It was a wonderful evening learning about all the great things happening in Jones County and sharing the story of one of the latest projects at Camp Courageous!

A huge thank you to **Lynn Burrell of Frontier Garden Center in Cedar Rapids** for a truck load of trees, bushes and shrubs and a trailer load of perennials! Lynn gives throughout the year to camp and his wonderful donations have helped beautify many areas around camp. Thank you again Lynn, from the bottom of our hearts!

Camp Courageous would like to thank **Iowa's Masonic Grand Lodge Officers and their spouses** and friends who have been helping virtually every breakfast/open house for decades. The relationship goes back to Camp's beginnings but was enlightened during the terms of Honorary Camp Board Members and Past Iowa Grand Masters, Tom (& Barb) Eggleston and Denny (& Janet) Zahrt. The individual Lodges and the Order of Eastern Star have also been very supportive. Their integrity and devotion to hard work, has been a welcome addition to Camp! Special thank you to Craig Davis, Grand Secretary, who often lines-up the event and a special thank you to the Grand Master of Masons in Iowa, Darrell Fremont (far right-in the picture).

Long time Camp supporters and volunteers, (L-R) **Brad Johnson and Steve Luense** enjoy a relaxing rest, on Steve's bench, just before the dedication of the new Bud & Georgia Johnson Accessible Miniature Golf Course. Camp will be placing several benches along the new Nature Trail. There will be bump outs along the trail to sit and enjoy the beautiful nature that surrounds one.

**If you would like to have your name or would like to memorize or honor someone, the cost is \$2,500 and covers the cost of the bench, the cast iron plaque, and the concrete work.**

Pictured left are Mr. and Mrs. Bart of **Bart's Farm and Pumpkin Patch of Marion, IA.** Each year, the Barts graciously donate an entire

truckload of carving pumpkins for campers to enjoy during weeklong and weekend October camp sessions. This allows for a fantastic time with campers to carve pumpkins and cook the seeds for a snack afterwards!

A big thank you to Laura Krehbiel, for opening the door to give Camp Courageous the opportunity to present to the **Zion Mennonite Church in Donnellson, IA.** It was somewhat of a reunion, as I lived and taught school in the Donnellson/Central Lee School District before coming to Camp Courageous. Pastor Rachelle Luitjens did a beautiful job, and it was great to visit with Doug & Donna Vogel, Dennis & Linda Krehbiel, Lori Davidson (Pineapple Committee-visiting her mother), and so many others who have played such great roles in my life. A wonderful group, who Camp is so thankful to for their very generous collection for Camp.

For nearly 30 years **Dave and Carolyn Mason** traveled to Camp several times annually to deliver wonderful donations of items from the camp's needs list. In

addition, they were regular sponsors for the Camper T-Shirt program. After their passing, their family decided they wanted to honor their parents and continue with this tradition. Recently, daughter Pam Serrano and LeRoy Carlson delivered an SUV of much needed items, and a check to sponsor the T-Shirt program. Many thanks to the Mason family including Chris & Amanda Timper, Tyler & Jessica Byrd and LeRoy and Pam for keeping Dave & Carolyn's memory alive in such a wonderful way!

It takes over one-hundred volunteers to put on a three-day holiday extravaganza at Camp Courageous that will find hundreds of campers with special needs having the time of their life! A huge thank you to all the volunteers and all those who donated gifts and time to make this year's parties such a heartwarming success. Some of the volunteers included (L-R) **Lori Weih, Director Community Engagement; Luke Hicks, Interim Vice President of Finance; and Casey Greene, Market President, all part from UnityPoint Health - St. Lukes - Cedar Rapids.** Camp Courageous has many volunteers and supporters from UnityPoint. A fun time was had by all!

# Camp Courageous Receives Award for Nature Trail Project

Camp Courageous was honored to receive the Recreational Trails Category Award for the 2023 Excellence in Concrete Awards presented by the Iowa Ready Mixed Concrete Association and American Concrete Institute -Iowa Chapter!

A special thank you to Dan Lawler of BARD Materials who nominated the project for consideration by a panel of industry judges.

Standing are some of those involved in this project. (L-R) Jeff Pitlik, Volunteer Project Coordinator; Patt McDowell, President of Dave Schmitt Construction; Chad Thier and Dan Lawler from Bard Materials; Cody Beitz and Beau Erichman from Ace Concrete; Cory Mohr, Facilities Director at Camp Courageous; seated is Jake Null from Ace Concrete; and Russ Yonkovic, Assistant Facilities Director at Camp Courageous.

The Nature Trail is nearing completion and is over a mile of paved walkway in the dense, rocky terrain adjacent to thousands of acres of State Primitive Land and the Maquoketa River. Setting the concrete took a total of 25-days, 652 cubic yards of concrete, and over 1,300 concrete buggy loads!

Thank you to **Brian Bowles, General Manager and Nicole Kurth**, from the Corp. Office (originally from Monticello) at Spahn & Rose Lumber Company in Dubuque, for a donation from their Foundation to Camp. The Spahn & Rose Lumber Co. Charitable Foundation has been supporting camp since the early 80s and much of camp's earliest building supplies came from the Monticello Spahn & Rose. Those original 5 buildings built in 1973, have grown to 35+ buildings today! Spahn & Rose has always had a genuine commitment to the customer, community, and passion for the building industry. Personally, I credit Spahn & Rose with much of what I know today about the building industry, that has provided a foundation from which Camp Courageous has grown. At the age of 14, the Dubuque Spahn & Rose employed me and taught me far more than they ever realized. I am personally grateful for this 54-year relationship! Had the opportunity to meet Mason Spahn, whose Grandfather's house I painted with Scott Ransdell back over 50-years ago; Dave Nicholson, longtime friend and longtime Spahn & Rose employee; and Dave Davis, President and CEO of Spahn & Rose. Great company, where giving back, is a cornerstone.

-Charlie

**Arlene Wiley** was wearing a sweatshirt with the words "I Believe in Santa" on it when she delivered a truck load of wonderful items from the camp's needs list. Camp Courageous believes in Santa too after receiving Arlene's awesome gifts that will be used in most of the departments at the camp. Thank you Arlene!

A huge 'Camp Courageous Thank You!' to the **Cedar Falls Amvet Riders** who delivered a huge load of much needed items to the Camp. This good and caring group is big into giving back and WOW do they do an incredible job. Thank you for your service!

The **St. Thomas Aquinas Knights of Columbus Council 930** from Cascade, IA delivered a generous check from the proceeds of their Tootsie Roll Drive. These Knights have been supporting Camp for decades and members have been key to the camp's growth, especially during some of the Camp's early years. Shown presenting the check is (L-R) Chuck Casey & Jack Kuriger. Camp is truly grateful for their dedication and generosity.

*"Camp is my second home, it's the place I can 100% be myself without feeling judged. It's a place I can make friends, and know that adults care about me. To me all of the campers are Super Hero's because things maybe a bigger challenge to overcome for us, but at camp we can do anything, we can be anything, and we can overcome any challenge!! We are COURAGEOUS!!! Also, knowing that my meds will be on time, that if I need help with personal care I am not judged, and that adventure (and fun) await each time I come!! "*

*"Thank you to all the Group 1 Staff and Volunteers for Endless Summer-you really really made a difference, and Hallie actually felt like she connected with some other campers near or at her age level- after a year of having no friends at school that warmed my heart!! And seeing her hug everyone and cry at the end made me realize the impact you had- THANK YOU!!"*

The amazing Jargo Family once again spent Christmas time volunteering at Camp Courageous, which has become an annual family tradition. **Chas & Nancy Jargo of Miles, IA** have been active with camp for decades and we remember Chas' Dad involved too....so this is fourth generation! For years they donated beef to camp helping feed the many hungry campers. They have decided, as a family, to help make a difference at Camp Courageous. Instead of buying gifts for each other, they have decided to provide their gift of time to Camp. Camp is honored and humbled by their thoughtfulness, generosity, and unselfish spirit of giving. Left-right are: Amy, Travis, Chloe, and Cameron (Austin, TX), Nancy holding Cameron, Karissa (Nashville, TN), Chas, Catrina, Jacinta, and Michael.

## Have you ever considered a Charitable Gift Annuity?

A charitable gift annuity is basically a "gift that pays you income for life." **Now is a great time to look at this particular type of annuity in your will because current return rates are very good.** If you get returns above the guaranteed rate then **you can gift that amount to Camp Courageous!**

When you fund a Charitable Gift Annuity you get a **FIXED** payment for life no matter what happens to the economy. You get an income tax deduction this year for part of the funding amount. You receive possible capital gains benefits when you fund one by transferring stock. You can receive payments for one or two lives, but with similar rates, and you can be comfortable knowing every gift annuity benefits Camp's mission of serving individuals of all ages with disabilities.

Contact your financial advisor to learn about funding a Charitable Gift Annuity!

**If you're interested in making a vehicle, boat, or RV donation to support Camp contact Russ at [russ@campcourageous.org](mailto:russ@campcourageous.org) for more information.**

Thank you to **John Fisher from North Liberty** for donating his 2004 Dodge Dakota to Camp.

**William and Shellee Daley from Madelia MN** recently donated a 2006 Suzuki Boulevard C50T motorcycle with only 23,000 miles, along with a trailer to Camp Courageous. William & Shellee became familiar with camp after making a donation honoring former maintenance director John Watts. Camp is extremely grateful to the Daleys for this wonderful donation!

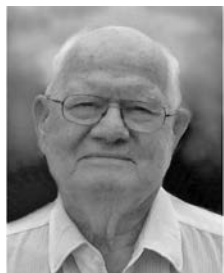

A big thank you to **John Koch from Waterloo** for donating his 2007 KIA Optima to Camp. John often visits Camp Courageous with Richard Levy, also from Waterloo, who enjoys obtaining many items for the dietary department off Camp's need list. John is a super nice person!

Camp Courageous is very grateful to **Joanne Buresh** who donated her 2014 Toyota Avalon to Camp Courageous. Joanne (and her husband, Ernie) are Camp Courageous Honorary Board Members and longtime supporters of the Camp, going back to some of the Camp's earliest days. We are super grateful to Joanne for the donation of her car that is in mint condition with only 18,000 miles!

# Charlie's remembrances on some of Camp's loved ones...

Camp Courageous' sympathy goes out to the family and friends of **Bill Longer** on his passing.

Bill served as Vice President of the Camp Courageous Board for about its first 10-years of existence. Bill was a Presbyterian Minister in Monticello for years. A fun fact is one of his parishioners was Dr. Earl DeShaw.

The story goes that Dr. DeShaw, also a Camp Courageous Board Member, wanted to start a Perpetual Fund at the church, and he had \$14,000 to start it. Bill said that \$14,000 was needed more for a new roof on the church. Dr. DeShaw said either it was going to start a new Church Perpetual Fund, or he was going to take the money to Camp Courageous and start one there... and that is what happened.

Even though in 1980 Camp Courageous was deep in debt and did not have the cash flow to fund my position that first summer (I lived off my teaching pay), the Camp Courageous Board voted in favor of Dr. Earl DeShaw's challenge to start a Foundation, which was one of the best moves in the history of the Camp. Sometimes when things don't look good at the time, it can be exceptional in the future.

Camp Courageous is saddened by the passing of **Lois Paulsen**, 86, of Scotch Grove. Lois, and her husband, Darrell, have been involved with Camp Courageous since some of the Camp's earliest days. There has been, virtually nothing, Lois has not volunteered to help with at Camp.

Lois was among the truest of camp friends. For decades, she was a regular volunteer in the office. She often came with baked cookies and bars for the campers and staff...which were huge hit! Lois loved coming to water aerobics at Camp Courageous, where many lifetime friendships were born. Anything the pool needed; Lois was always there to lead the charge in obtaining. Seldom did Lois and Darrell miss anything Camp Courageous: Pineapple Galas, breakfasts, car shows, back to school festivals for campers... you name it, they were there not simply attending, but volunteering.

In addition, almost every improvement to camp: camper cabins; the pool; solar; they were there to support it. Lois and Darrell have been just good, salt-of-the-earth folks, who would give the shirt off their backs to help someone in need, always with the utmost integrity. Camp Courageous was blessed to have their support all these years.

Camp's sympathy goes out to Lois' husband, Darrell, and their children Gary, Kim, and Amy, along with their families and friends. I was fortunate to have had Gary as a student when I student taught in Monticello in 1976...he was as an exceptional student...and once I came back to Monticello and Camp and met his parents, I better understood why he was so exceptional. Lois wished for her memorials to go to Camp Courageous, as well as other charities.

**Carole Jensen**, 77 of Clinton, recently passed, with her memorials going to Camp Courageous

Carole and Fred Jensen began supporting Camp Courageous about the same time the Petroleum Marketers and Convenience Stores of Iowa took Camp under their wing in 1981.

Fred had Jensen Oil in Clinton and Carole was the bookkeeper. Along with supporting the Camp on a regular basis for years through what is now FUEL Iowa, Carol and Fred would type up a list of friends who had passed or were celebrating a special occasion like a birthday or anniversary. They would send camp that beautifully typed letter, listing the person being acknowledged and who to send an acknowledgement letter to. It has been a tradition that has been going on for over 40 years!

We will dearly miss Carol's nice notes...it won't be the same. Camp's sympathy goes out to Fred, along with their children, Chad & Jane and family and friends. What a beautiful legacy Carole leaves here at Camp Courageous.

Camp Courageous' deepest sympathy goes out to the family and friends of **Vera Sessler**, 101 of Wilton, IA, who recently passed.

Vera's grandson, Curtis, was one of Camp Courageous' favorite campers. Curtis had Muscular Dystrophy, and one of the highlights of his year was to come to Camp Courageous and DJ the dance...which was the last thing he did before passing.

Vera was very proud of the role her son, Roger, played at Camp Courageous, from his volunteerism to his support of fund raisers, like Cruisin' For Camp Courageous.

Vera's support of Camp Courageous goes back decades. She was a wonderful lady who leaves a wonderful legacy. Vera asked that memorials go to her church and Camp Courageous.

Camp Courageous was saddened by the recent and sudden passing of **Terry Durham**, 74, of Cedar Rapids.

Terry was born to serve others. Throughout his lifetime, from Future Farmers of America to the Jaycees, to Lions, Terry was all about giving back. He established an early bond with Camp Courageous upon his move to Cedar Rapids in 2005.

Terry and his wife of over 50-years, Liz, made for a perfect couple; both dedicated to the service of others; both went their separate ways: Liz to Rotary and Terry to Lions. Everyone benefited from this wonderful couple's generosity of time and talents.

Terry will be dearly missed, but the difference he made in so many lives, will be his wonderful legacy. Terry was truly a mentor to many.

Camp's sympathy goes out to the family and friends of **Gary Speicher**, 76, who recently passed.

Met up with 'Spike' in the early 80s when he convinced a small group of us to take out life insurance policies to benefit Camp Courageous. The concept was, being young (under 30), the premiums were low (around \$350/year...only a \$1/day) one could receive a \$25,000 policy to benefit Camp, and the \$350 was a donation. I was making \$17,000 a year, and what convinced me to go with it, was when Gary said he would do it too. Thus began a 40+ year friendship.

Gary was a person of great integrity. Many memories flashed back as I reviewed my 'file' on Gary. Along with many notes and letters, it was particularly humbling when Gary lost his dad, Rod Speicher, 6-years ago at the age of 92. Gary greatly admired his dad and chose to have his dad's memorials go to Camp Courageous... Gary often wrote the nicest, heartwarming notes...that will be missed.

Camp's heartfelt sympathy goes out to Gary's wife of 55-years, Susan, along with family and friends... We will miss that wonderful smile and handshake of friendship he extended to all.

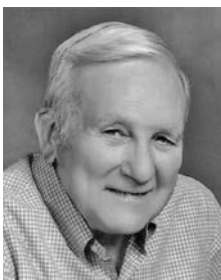

Camp Courageous is saddened by the recent passing of **Kathy Kuriger**, 84, of Dubuque, formerly from Monticello, IA. Kathy was involved with the Camp since the beginning, as her dad, Bernard Kuriger and Uncle, Clarence Kuriger did the original plumbing,

along with anything else that needed to be done during those early days. They worked closely with their dear friend, Clete Goedken, who was Camp's Volunteer Maintenance person for the Camp's first 25+years. They also worked side by side with the Camp's first director, Gary Turbes. All four were the first to be inducted onto Camp's Honorary Board along with Tait Cummins and Leo Greco.

Kathy helped her dad in the care of her sister, Pat, who had Downs Syndrome and later was the care provider for her Dad. Kathy stayed active with Camp, attending the open houses/breakfasts, along with being a regular aqua fitness participant, during the days of the old, small pool. She was thrilled when her nephew, Sean (Spiff) Chambers became a counselor at Camp Courageous, along with his future wife, Nicole (Cole). Sean's brother, Luke was also a counselor at Camp, and their brother Seth and parents Jim & Sheila (Kuriger) Chambers were all active with Camp. Kathy had many challenges in her life, but to visit with her, she was always quick witted, full of laughter and fun. She had a lifetime full of incredible experiences and brought joy to far more people than she ever dreamed. Kathy leaves a real void with her family and friends she touched deeply.

Contributions to Camp Courageous can be made as a tribute in memory of friends or relatives, in honor of someone or their milestone, or to celebrate a special occasion. Use the envelope attached to this newsletter or the form on page 31 to make your tribute contribution to Camp Courageous. You can also go to [campcourageous.org/donate](http://campcourageous.org/donate)

Camp Courageous' sympathy goes out to the family and friends of **Jack Carstensen**, from Cedar Rapids, who recently passed, just shy of his 92nd birthday.

Jack, and his wife, Pat, have been longtime supporters of Camp Courageous. Jack was a regular at one of the groups Camp would annually speak at in Cedar Rapids, always making heartwarming comments about how much he thought of Camp Courageous.

Jack was a, soft spoken, kind, true 'gentle' man, in every sense of the word. Camp shared many of Jack's same friends.

Camp's sympathy goes out to Jack's wife, Pat, along with family and friends. Jack wished for his memorials to go to Camp Courageous.

Camp Courageous' sympathy goes out to the family and friends of **Carol Lynn (Kragenbrink) State**, 82, of Edgewood, IA.

Carol was a good friend of the Camp, as was her entire family. Carol dedicated her life to helping raise the children of many parents. She was a full time or part time nanny to many, including her own grandchildren.

In the late 1990s Carol dedicated her time to special needs children, particularly those with autism. Her deep desire to be useful and her giving heart led her down a lifetime path of bringing joy and comfort to others. She loved working with these special children and their families, often becoming one of only a few people that they would trust with their special needs loved one.

Camp's sympathy goes out to Carol's five children: Jeff (Cindy) of Manchester, Scott (Angie) of Scottsdale, Arizona, Cathy (Mike) Corkery of Manchester, Angie (David) Mullinix of Ocala, Florida, and Mary Jo Bruner of Parker, Colorado as well as her ten grandchildren and five great grandchildren. Carol not only left her legacy with her own family, but with the many she helped, and the many she was like a second mom.

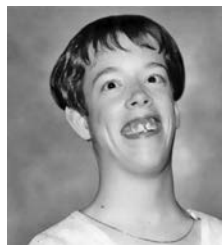

Camp Courageous is deeply saddened with the passing of long-time Camp Nurse, **Rose (Hubler) Flaig**.

Rose was Camp's Nurse from the mid-80s to the early 90s. Rose was a soft spoken, good and caring nurse that always put the needs of others first. Her comforting and compassionate ways provided a natural calming effect for campers and staff to confide.

Rose always had the time to listen. She loved Camp Courageous and Camp Courageous loved her. A Camp Nurse, like Rose, often becomes a camper's next closest thing to their parent. Rose was a second parent to many. Rose was simply a good and caring person... salt of the earth... and her early passing is extra hard. Camp's sympathy goes out to Rose's Family and Friends.

Camp Courageous was deeply saddened by the passing of **Brian Ahlrichs**, 55, of Monticello. Brian and his family have been extremely involved in Camp Courageous, going back to his wife, Berta (Schutz) Ahlrichs, being Camp Courageous' long time Respite Care/ Volunteer Coordinator. I believe Berta and Brian may have met at Camp Courageous when Brian was working on a major construction project. Brian went on to work 31-years at the Anamosa State Penitentiary, where he recently retired. Brian and Berta believed strongly in service to others and the spirit of giving back, particularly to those with disabilities. Each of their children did everything from fund raisers to life guarding for Camp. Truly an exceptional family, that overflowed with love. Brian will be dearly missed by all that knew him. Camp's sympathy goes out to Brian's wife of 28-years, Berta, Benjamin, Bridget, Samantha, Sophia, Hannah, Harrison, and Lydia.

Camp Courageous is deeply saddened by the passing of longtime camper, **Rachel White**, 43, in her home operated by Systems Unlimited in Coralville. She was raised in Marion, IA, and was a 2001 graduate of Linn Mar Schools. Rachel was fortunate to be born into the family of Phil & Laura White of Marion...two super dedicated individuals and great advocates for Rachel, and for all those with disabilities. During Rachel's nearly 50 visits in over 30-years to Camp Courageous (1986-2020), she was always a huge hit with staff... everyone loved Rachel! She brought abounding love and laughter to all. Camp Courageous was always on the back of Rachel's thoughts. When she had some serious health situations and was put in Hospice Care in Iowa City, she told her folks, 'tell camp hip hurts'. Phil wrote, "Camp has meant a lot to her and she is thinking about you guys." Rachel is now at peace...and her legacy will live on in the people she inspired and the lives she brightened. Camp's sincere sympathy goes out to Rachel's folks, Phil & Laura, a couple exceptional Camp volunteers, supporters, and wonderful advocates, along with other family and friends. The family requested memorials go to Camp Courageous

**Mary Noonan**, a longtime water aerobics lady, from a super group of water aerobics ladies from Cascade, has passed away at the age of 95. Carol Melton, Camp's Aquatic's Director for years, reminisced about all the wonderful time the group had together and what a delight Mary was to the group and to Camp Courageous... Mary started her active role with Camp Courageous in the early 80s and never stopped, up to the end...even buying a VW raffle ticket! Camp is deeply saddened...

Camp Courageous is saddened by the passing of **Wayne A. Whitham**, 70, of Pella IA and Queen Creek, AZ. Camp is grateful to Wayne's wife, Jackie, for visiting Camp with Wayne's memorials. Wayne was a wonderful person, a friend to many, a stranger to none. Wayne was second of a three-generation legacy with Brown's Shoe Fit Co. Wayne was extremely active in many organizations that were all about 'service to others.' Wayne's grandson, Paxton is a camper at Camp Courageous. Camp's sympathy goes out to Jackie, family, and friends. Memorials went toward a bench on the new nature trail and will go toward camperships to give others the opportunity to enjoy Camp.

Camp Courageous was saddened by the passing of **Lorenz Behrens**, 91, a longtime resident of Eldridge, IA. Lorenz, and his late wife, Marian, were active with Camp for decades. Lorenz and I were Trustees on the Hoover Presidential Foundation Board, where he would deliver carloads of donated items for the Camp in their parking lot, prior to meetings. Lorenz was always there to help Marion make things for the campers, sewing hats, bibs, and making quilts. They knew how special it was for the campers to have something genuinely made with a labor of love. The Behrens' would love to take the camp's needs list and search for the needed items, especially for the holidays. Together, Marian & Lorenz, introduced dozens of family and friends to the Camp. They were also very active with the Eldridge Lions and enjoyed projects that helped those less fortunate. Marian & Lorenz have also been long time donors through Thrivent Financial. Lorenz, like Marian, wished that his memorials go to Camp Courageous

**Camp has lost other dear friends that are listed below who have requested memorials go to Camp.** Use the envelope included with this newsletter or visit [campcourageous.org](http://campcourageous.org) to make a tribute in their name:

# Camp Courageous Partners with the Iowa Department of Natural Resources to Assess Environmental Impact

Camp Courageous has a long history of working hand in hand with the **IDNR (Iowa Department of Natural Resources)** along with other government agencies, to make sure Camp is doing everything exceptionally well, by the book, and with their blessing. This goes back to Day 1, when the Iowa Conservation Commission (former IDNR) traded 40-acres of inaccessible land adjacent to the Maquoketa River for the 40-acres that became the base Camp for Camp Courageous.

Pictured (L-R) Jeff Pitlik, Camp Volunteer Project Coordinator; Greg Schmitt, Wildlife Biologist with IDNR, who assist landowners with improving wildlife habitat and clean water on their property and gives technical assistance on wildlife to NRCS staff in NE Iowa; and Dave Pasker, who is with the Natural Resources Conservation Service (NRCS) covering this area of Iowa.

Jeff had Greg involved in helping Camp Courageous, just after the Pictured Rocks area of Camp Courageous was annexed. One of the first projects for Greg was to, in advance of a nature trail, establish the perfect nature trail, that disrupts the fewest trees and natural habitat...and takes the greatest advantage of the beauty of the area. Before the engineers and construction crews began their work, volunteers Greg and Jeff were hard at establishing the perfect course. It was everyone's goal to preserve the nature and beauty of the area.

Fast forward to a recent tour...Greg was super impressed with the minimal impact the new nature trail has on the area. He was amazed how their little dream, turned into such a beautiful asset to camp and the campers. All were thoroughly impressed with the New Award-Winning Nature Trail.

Work continues on the nature trail including landscaping, fill work, and beautification... more updates to come.

## Embarking on a Journey Of Impact: Camp Courageous Travel

From Orlando to San Francisco, and Nevada to Toronto, and many points in-between, Campers with the Camp Courageous Travel program journeyed to many exotic places!

The Camp Travel Program opens doors to meaningful experiences, personal growth, and profound impact for many people who would not otherwise have these opportunities.

### DID YOU KNOW THE CAMP TRAVEL PROGRAM IS LOOKING FOR VOLUNTEERS?

Volunteering for the Travel Program goes beyond the typical camp experience, offering individuals a unique opportunity to make a difference in the lives of campers with a physical, developmental, or intellectual disability. Volunteers get to hop on board for free, including delicious meals, cozy lodging, thrilling transportation, and exciting activities all while having a meaningful impact on the campers.

A BIG thank you to the **Victor Lions and the Victor Knights of Columbus** who gathered a HUGE collection of items for Camp Courageous Garage Sale. They boxed and bagged a large building full of wonderful items to be donated to Camp Courageous! Pictured: (Seated front row) Susan Wilgenbusch, President of the Victor Lions; (standing L-R) Bill Lynch; (seated) Jean Thys; Kevin Kalambaheti; Tom Thys, Grand Knight Victor Knights of Columbus; standing Jim Foels (Camp Courageous Board Member); seated Duke Wilgenbush, and Bob Kochouyt.

Thank you to Cathy Fitzmaurice-Hill (& Merle) for inviting Camp Courageous to give a program to the **Hills Town and Country Club**. This special group of good and caring folks have been supporting camp for over 30-years! They always make one feel like it's a homecoming with Dale & Connie Schnoebelen greeting everyone at the door, Scott Hebl and his friends preparing an incredible Thanksgiving Dinner, and other members collecting items needed at Camp. It's also nice to visit with Ron Stutsman, whose company annually donates a semi load of salt to the Camp for its water quality program, along with other items. This super group have consistently filled the car with needed items!

Camp Courageous Board Member, Greg Greco (Camp shirt) accepts a check from the **Independence St. Pius X KC Council #4332**. Grand Knight Taylor Simmons and the entire council were exceptionally hospitable... good and very caring group! They were all very excited to hear about Camp Courageous. They presented a check to Camp Courageous from their Individuals with Intellectual Disabilities Tootsie Roll Campaign.

It is always a treat to attend the **Mount Pleasant Knights of Columbus Council 7294's** annual dinner and Tootsie Roll drive for Persons with Intellectual Disabilities presentations. Financial Secretary Stephen Slobodnik presents a check from the Council to the Camp. Stephen has been very involved with the camp for decades, as was his father...never knowing that someday they would have family members that would utilize the Camp. Special thanks for the Council's support of fruitcakes and Fiat raffle tickets too! Super group!

Thank you to the **Cedar Rapids Elks Lodge #251** for over 20-years of support! Here Roy Schultz Exalted Ruler of the Cedar Rapids Elks present a donation to Camp Courageous, funded by an Elks National Foundation Gratitude Grant. A wonderful group!

The **North Linn Knights of Columbus Council 12136** had another amazing year with their annual "Tootsie Roll" drive. Camp is so appreciative of their support from this event for the past 25 years. Also, thanks to David Dalton, from Coggon, for dropping off the generous check.

Would you or your group like a **presentation** given about Camp Courageous? Want Camp at your next meeting? Want to **visit and tour** the Camp facilities?  
**Call 319-465-5916 for details.**

It was wonderful to welcome back the **Rachel Circle and Friends from the Brandon area** to volunteer on a sunny October day. This self-motivated group spent their day at camp wrapping mountains of holiday gifts for the campers at the Camp Courageous Holiday Parties. This group have been yearly volunteers for a day in the fall and we look forward to their annual visits. Its always fun catching up with them! Thanks ladies (and gentleman!)

Camp Courageous was honored to be asked to present a program to the **Bettendorf Lions** at their September meeting. This is an active club, and they had many inciteful questions about the camp. We are so appreciative of their generosity over the years and hope to see them again soon!

A special thank you to the **Williamsburg-St. Paul United Methodist Church Ladies** for giving Camp Courageous the opportunity to present a program to them about the Camp.

Thank you to Diana Cook for reaching out to Camp Courageous Board Member Jim Foels (pictured) to schedule the program and thank you to Ruth Riggs, who leads the group. Along with providing financial support, the group provided a huge carload of needed paper supplies. A truly wonderful group of good and caring folks...who were a delight!

**FROG-The Forest River Owners' Group**, is made up of over 170,000 Forest River and affiliated brand RV owners from across the United States and Canada, dedicated to having fun and enjoying their own RV lifestyle.

Each year they pick a charity to benefit from a contest they have during Oktoberfest in the Amanas. Much to Camp's delight, they decided this year to have the proceeds go to Camp Courageous! In the picture, we have Will Brown, who is the rally organizer and his wife, Lisa presenting a nice check to Camp Courageous.

Lisa Zscherny Brown was one of Camp's outstanding volunteers back in 1991-1993. She began volunteering with her church and ended up doing many respite care weekends and some weeklong sessions in the summer. Lisa has some wonderful scrapbooks filled with lots of camper and staff pictures, including the famous 'Tony the Pony' who provided thousands of campers memorable rides around base camp. Lisa said, "Camp Courageous is the reason I am doing what I am doing today."

Lisa is a Registered Behavior Technician for the Cedar Rapids School System. The Cedar Rapids Gazette did a feature on Lisa in 1991, and she received the JC Penney Award for Outstanding Volunteerism.

RSM's Cedar Rapids team chose Camp Courageous as their charity of choice for youth holiday gifts!

**Crystal Scott** from **RSM**, delivered over 60 gifts to camp, wrapped and ready to go for this year's holiday party! These gifts along with a monetary

donation given to camp allow camp to continue to host it's annual holiday parties and provide a special present for each individual that attends. Camp is excited to continue this new relationship with RSM for future years.

This Holiday Season, Camp Courageous was chosen by Coralville Scheels as a recipient of their annual giving campaign. Camp continues to be grateful for its relationship with Scheels and all of the years it has supported Camp Courageous through donations of sporting goods and monetary donations

It was a special treat to have **Rick & Mona Rottinghaus** volunteering at Camp's holiday party for campers (the second party of three). Rick & Mona have been involved with Camp Courageous for decades. One cannot help but know all about Camp Courageous when your Godfather was Camp's Honorary Board Member, Norb Bahl of Jesup, IA. In addition, their mother was a long-time care provider to Norb & Henrietta's son, Stevie. Rick & Mona are all about giving back, so for decades Mona has donated hundreds of new white t-shirts of all sizes for the campers to tie-dye at camp and take home...a thrill for each! Not to be out done, Rick has been a regular donor of grain to Camp for years...something Camp hopes to spread the word about in the future. A wonderful couple... who reminds me of one of Norb's comments to me, 40+ years ago, "The more I give, the more it comes back to me, many times over..." It was nice to have the Rottinghaus' at Camp, seeing first-hand the joy they bring tp so many.

It was a special treat to have volunteer, **Jeff Pitlik**, bring his high school friend, **Bill Niederhauser of Kenai Alaska** and **Bill's Dad, Bob Niederhauser of Mt Vernon, IA** to Camp Courageous. Jeff and Bill had not seen each other for nearly 50-years! Bill does commercial fishing in Alaska. When Bill asked Jeff what he did, now that he is retired, Jeff was quick to talk about Camp Courageous and his role at camp and the next thing one knows, a tour is lined up. Bob use to run the Bob's Super Value in Mount Vernon now called Gary's. That grocery store has had a relationship with Courageous going back decades from selling fruitcakes to hosting special events for Camp. We had truly a wonderful time.

*"This is a wonderful place that will take care of your child or loved one. They get to experience so many things that they can't get anywhere else. It's a place for them to make friends and just forget about all their appointments and therapies for awhile."*

-Camper Parent

**Alyson Lilley**, a student at Van Buren County Community Schools and owner of L&L Freeze Dried, made a generous donation to help cover Camp Courageous fees for Van Buren County Students! Through conversation, **Jet Gas Corporation** found out about Alyson's donation and MATCHED IT! It wasn't until after the photo opportunity, that Alyson surprised us with the matching donation from Jet Gas Corporation. Thank you Alyson and Jet Gas Corporation for your donations!

## At the Hot Rods & Harleys Car Show in Hopkinton IA

Camp Courageous was humbled when Ralph and Inez Kremer of Independence, IA contacted Camp to donate their 1957 Chevrolet BelAir Sport Coupe to benefit Camp Courageous.

This car has had a professionally done frame off restoration. "From top to bottom this is a very detailed/show car" according to Duffy's Classic Cars. "It has a non-original 327 engine, overdrive automatic transmission, power steering, power font disc brakes and alloy wheels with radial tires which have been added to make this a very fun car to drive,"

"The rest of the car is in stock form. Undercarriage is red oxide primer and very detailed. Paint is a beautiful Dusk Pearl and is in excellent condition and the original color for the car. This car is a very popular make and model and a show winner," according to Duffy.

When asked they chose to give Camp Courageous this wonderful gift, they replied with a tear in their eye, that they have been very fortunate to have had a healthy family and never needed the services of Camp Courageous, but at the same time they fully understood the 24/7/365 care many families with a disabled family member are faced with.

A warm Camp Courageous appreciation goes out to the **DeWitt Knights of Columbus** for their donation from Tootsie Roll Money raised for the Intellectually Disabled to Camp. Joe Shadle, Financial Secretary (2nd from the right, back row) invited Camp to Council 959's Chili Supper for the charities they support. Don Fulgsang (2nd from right, front row) is their Grand Knight. Wonderful group, who are dedicated to giving back.

A big thank you Dick Newcomb, for lining up Camp Courageous to give a program to the **Walcott American Legion Post 548**. After the program Commander Brian Mengler (center) presented a check from the Post to Honorary Board Members, Denny & Janet Zahrt. Denny is a past American Legion Commander and Janet has made dozens of Quilts of Valor for the Walcott and other Legion Posts. It was a wonderful evening!

Thank you to **Don Porter of Manchester** and **Dorothy Cleghorn of Waterloo** for their donation of a huge bucket of pop tabs and their financial support. Don volunteers almost daily to keep this area raising support for camp!

## Seasonal and Year-Round Camp Courageous Employment Opportunities

We invite you to join our team of passionate individuals who create meaningful relationships and improve the lives of people with disabilities. This is an experience you will cherish forever!

Camp Courageous is eagerly seeking Individuals for volunteer, paid, and internship positions. There are opportunities for weekend, seasonal, and year-round positions.

Working with children and adults with disabilities is very rewarding, however it does come with some challenges. Campers may need help with personal care including feeding, dressing, and personal hygiene. Some campers also need behavioral guidance.

Patience, energy, good judgement, and enthusiasm are important attributes for success at Camp

Courageous, as well as teamwork. If you, or someone you know have these valuable traits and the desire to make a difference in the lives of others, please consider applying.

The **Anamosa Knights of Columbus Council 1791** have been supportive of Camp Courageous since 1976. Knight Bill Sperfslage dropped off another generous check from the proceeds

from their annual Tootsie Roll drive. Bill's mother Helen was a long-time member of Camp's dietary staff. Thanks Knights for their continued support!

Thank you to the **Preston Lions** who donated a carload of needed supplies, along with a check to Camp! This tradition has been going on for decades, going back to Richard "Doc" Rossmann, who passed a few years ago at the age of 91. Carrying on the tradition is Ray & Della Ernst, and their granddaughter, Ellowyn. Camp Courageous is grateful to the Preston Lions for keeping this heartwarming tradition alive!

It was so wonderful to receive a visit from representative of the **Calmar Lions Club**. This active group have been regular supporters of the camp for many years. While at camp they presented a generous check and visited the depot. Shown from L-R are Ron Bullerman, Charles Frana, and Merle Thuente. Thank you Calmar Lions!

A big thank you to **Don & Carol Rees of Marion**, who are downsizing and giving all those items no longer needed to Camp Courageous.

Don and Carol have been friends and supporters of Camp for decades. Don retired from the Duane Arnold Nuclear Power Plant. He is a fascinating person to visit with about his many years at the plant. Camp always appreciates the donations of those who are downsizing.

## How can I help?

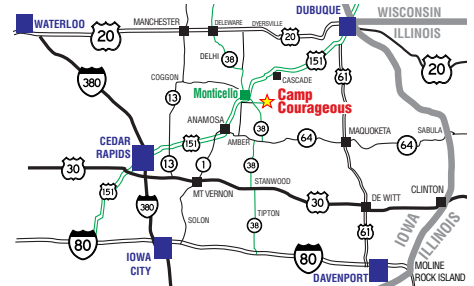

Camp Courageous continues to operate on donations, without government assistance, formal sponsorship, or paid fund raisers. Therefore, everything that is given to Camp directly benefits the campers. One of the reasons the camp has grown from serving 211 campers in 1974 to nearly 10,000 campers today is the incredible dedication of volunteers. Volunteer help is needed in every aspect of the camp. Please consider volunteering your time and talents to Camp Courageous.

## Where can I get more info?

Additional information can be found at [www.campcourageous.org](http://www.campcourageous.org), call Camp at 319-465-5916, or stop out for a tour to see first-hand how the camp has grown over the years.

## Where is Camp Courageous?

The camp is located five miles south of Monticello, Iowa, off Highway 38 or 151. The camp lies on 400 acres of land surrounded by thousands of acres of state primitive land and the Maquoketa River. Use US Highway 151 (exit 65), turn south on Highway 38, then east on 190th Street (all hard-surfaced roads).

Camp Courageous is a year-round recreational, respite, and travel program for individuals of all ages with disabilities. It is only through the support of so many caring individuals and organizations that Camp Courageous is able to provide experiences for individuals with disabilities. Please consider supporting camp by scanning the QR code or going to <https://campcourageous.org/donate>
